Differentiation between Honors Level and College Prep Level Classes

World Languages – French / Spanish / Latin*

- Honors level will cover all the grammar concepts and thematic vocabulary that appears on the World Language documents entitled “Grammar Concepts and Thematic Vocabulary”.
- In the honors levels, there will be supplementary reading materials presented (short books, stories, etc.) at the teachers’ discretion.

HOMEWOOD-FLOSSMOOR HIGH SCHOOL COURSE SCOPE & SEQUENCE

- Writing samples will be longer, and the rubrics used will be guided by different criteria than the CP writing samples (higher expectations as to accuracy and complexity of written work.)
- Listening will be incorporated more, through outside sources.
- Vocabulary: honors students will have a larger vocabulary base at the end of the year, as they will need less practice on the need-to-know words, and will be learning and using many more of the nice-to-know words than the CP level students have time for.
- Projects will be graded with a differentiated rubric – more accountability RE: pronunciation, accuracy, fluency, and the length and complexity of project at the honors level at the college prep level.
- Homework will be adjusted according the needs and abilities of the students: Honors level may include less of work of a rote nature - more original work will be expected of them; CP students need more time to acquire a language and will need more practice of certain concepts / vocabulary.
- Honors level students will work at a faster pace in the book so that supplemental items may be included into the curriculum.
- Honors level students will be expected to produce more spoken language inside the classroom setting.

Both honors level students and college prep level students will reach approximately the same point in their knowledge base of the language. The honors level student will have been exposed to more language (reading/writing/listening/speaking/vocabulary) than the college prep level student. This facilitates an easy transition in case there is someone that has to/wishes to move from one level to the next at any particular time in the year.
