

# Family Connection

<https://connection.naviance.com/hfhs>

Naviance Family Connection is an online software program that allows parents and students to access college and career information efficiently. Students can perform detailed searches of colleges and universities, research scholarships, complete questionnaires useful for college and career planning, email their counselor, and gain access to Homewood-Flossmoor's document library. Log in to your Naviance account and explore all of the resources offered to you!

## Naviance Log-In Information

Username: student's email address

Password: hf12345 (student's ID #)

### Freshmen students...

- Explore the Naviance program
- Finish the [Learning Styles Inventory](#) that you started with your guidance counselor!
- From the [Document Library](#), you can print a [4 Year Plan](#) worksheet, and calculate your GPA using [Compute Your GPA](#).

### Sophomores

Have fun completing the [Do What You Are](#) assessment, and take the [Learning Styles Inventory](#) to see how you learn best! Find the link for [Career Cruising](#) to explore what career options would best suit you.

**Juniors** should complete the following before seeing their counselor about college planning:

1. [College Questionnaire](#) (Use lots of detail!)
2. [My Game Plan](#)
3. [My Resume](#)
4. [College Search](#) (Do at least one)

**Five (5)** important Naviance tasks for **Seniors** are listed below.

1. Regularly check [My Inbox](#) for messages.
2. Complete the [College Planning Questionnaire!](#)

**TIP:** Your counselor will use the information you supply on your [College Planning Questionnaire](#) when writing your college letters of recommendation, so be as specific as possible.

3. Complete [My Resume & My Game Plan!](#)

**TIP:** Be sure to include 3 teachers and/or coaches who know you best at the bottom of the [Game Plan](#) page. Your counselor will ask them for quotes and anecdotes about you for use in the college recommendation letters they write for you.

4. Find colleges that fit your requirements by using Naviance's [College Search](#) search engine or use [College Lookup](#) to get information on a specific college.

**TIP:** Don't forget to name and save your search before you exit, and be sure to click "add to list" or "pick" on college pages you like so that all your favorite schools are saved to [My Colleges](#) in the menu.

5. Use [Career Cruising](#) to gather information on careers.
