Our Mission

The mission of the HFPA is to assist in enhancing the communication with families, staff, administration, and the community for the overall success of the HFHS student body. The HFPA accomplishes this goal through our "Principal Meetings with the HFPA", the HFPA website, collecting donations for the HFPA Scholarship Fund, and by sponsoring or assisting in the coordination of several HFHS activities.

What We Do

"Principal Meetings with HFPA"

On the first Wednesday of the month, the HFPA and Dr. Pitcock host a general meeting for parents. The meetings are held in the South Building TLC.

A "Meet and Greet" is held from 5:30 pm - 6:00 pm. The "Principal Meeting" is 6:00 pm - 7:00 pm.

Meeting topics are always current and include important information about HFHS academics, athletics, and activities. Several Department Chairs attend, and an open forum is held at the end of each meeting. All parents are welcome and encouraged to attend. Past meeting minutes are available on our website. Select the HFPA link at www.hfhighschool.org.

HFPA Scholarships

Each spring the HFPA awards scholarships to graduating seniors. We do not charge dues or sell items to raise money for scholarships. Instead, we accept donations from parents, and any companies who match funds. You may also enroll in the Target "Take Charge of Education" Program and assign donations to HFHS District 233 in Illinois and Target will donate 1% of the amount of your purchases. You can enroll in any Target store or on-line at Target.com/tcoe.

All parents/guardians are members of the HFPA. All donations are tax-deductible. Checks can be made out to the "HFPA Scholarship Fund" and sent to the address on the front of this brochure. Thank you in advance if you choose to contribute.

Programs/Events

The HFPA seeks parent involvement. The HFPA assists HFHS Staff with several events during the year. Our goal is to create a large pool of "Volunteer Members" to help at these events. If you choose to become an HFPA Volunteer Member you will receive e-mails explaining upcoming opportunities. We may ask you to help at an event such as those listed in the next column. Check the "Volunteer Member" box in the next column if you are interested.
