- Help select books and materials.
- Weed outdated materials and make new recommendations.
- Help develop fundraising opportunities.

Advantages and Outcomes

In addition to giving you a voice in what goes on in the library, FOLAB members are also provided with a great leadership opportunity within the school (ideal when applying for a job or on a college application). FOLAB also gives members a sense of ownership and responsibility. Participants will also feel a sense of teamwork, friendship, cooperation, and FUN!!
