***NEWSWEEK* MAGAZINE RANKS H-F HIGH SCHOOL IN THE TOP 2 PERCENT OF ALL PUBLIC HIGH SCHOOLS IN THE NATION**

Flossmoor, IL, July 8, 2008 – In a recent *Newsweek* magazine article called “The Top of the Class: The Complete List of the 1,300 Top U.S. Schools,” Homewood-Flossmoor High School made the list again for the fifth year in a row. This year H-F was ranked 763 out of 1,300 high schools across America, placing H-F in the top 2 percent of public high schools in the nation.

Newsweek assessed the nation’s estimated 25,120 schools by creating a ratio of the total number of Advanced Placement (AP) courses taken by all students in 2007 divided by the number of graduating seniors. The assessment is used to compare a wide range of students’ readiness for higher-level education.
