### THE LEUKEMIA & LYMPHOMA SOCIETY RECOGNIZES H-F STUDENTS EFFORTS IN MAKING THE “LIGHT THE NIGHT WALK” A SUCCESS

---

**Flossmoor, IL, November 18th, 2008** – The Leukemia & Lymphoma Society were overwhelmed to know that H-F High School students made and donated tribute ribbons for the “Light The Night Walks” and wanted to show their appreciation by giving t-shirts, certificates of appreciation, and snacks to the students during their class at the beginning of the month.

When the students assisting in the Special Education Workforce Investment Act Program learned that they could help contribute to this worthy cause, they immediately found out how. The students made 6,500 ribbons representing three blood cancers: Leukemia, Lymphoma & Myeloma. These ribbons were given to participants to wear in the walks and also given out to all the guests attending the “Remembrance Ceremony.” This ceremony was dedicated to those who have loved ones who are survivors or have died from either of these cancers.
