H-F HIGH SCHOOL'S SUPERINTENDENT WELCOMES COLLEGE BOARD REPRESENTATIVES

Flossmoor, IL, December 4th, 2008 - H-F High School's Superintendent Dr. Von Mansfield hosted Mr. Eric Cantor, *Senior Vice President for Region and Account Services*, Dr. Ileana Rodriguez, *College Board Regional Vice President*, on Wednesday, December 3rd, at H-F High School.

Dr. Mansfield introduced all representatives to H-F's comprehensive Advanced Placement (AP) program, which now has 19 classes to choose from in seven different subjects. They visited four AP classes, including AP Psychology, AP U.S. Government, AP U.S. History, and AP Chemistry, speaking with students about the rigor of taking AP courses, and then convene with a panel discussion with the teachers.

H-F is fortunate to be one of a select few high schools in the country to host these dignitaries from the College Board. The information garnered from the days meeting will be incorporated into future consideration to further the College Board's philosophy of Equal Access and College Preparedness. It is most impressive that these dignitaries have taken time from their busy schedules to allow H-F High School to highlight its growing AP program and continue its reputation for excellence.
