H-F HIGH SCHOOL'S FORENSIC SCIENCE STUDENTS LEARN ABOUT INFRARED CAMERAS AND THEIR CAPABILITIES

Flossmoor, IL, March 3rd, 2009 – H-F High School's Honors Forensic Science students had the privilege of having Dennis Kranc of *DK Infrared Incorporation* come and speak about the amazing capabilities of infrared cameras on Friday, February 27th.

Kranc explained to students the camera's detection capabilities and brought in infrared photographs of both people and on-the-job locations. Actual cameras were also brought in which gave students the opportunity to examine themselves, various appliances, animals, and observe their temperatures.
