

**Public Act 97-0256**

School boards are required to submit to the Illinois State Board of Education (ISBE) a report on the base salary and benefits of the school district's superintendent, administrators, and teachers by October 1 of each year. Prior to submitting the report, this information must be presented at a regular school board meeting and posted on the school district's website. For the purposes of this requirement, "benefits" includes without limitation vacation days, sick days, bonuses, annuities, and retirement enhancements.

*Data for PA 97-0256 and PA 97-0434 are presented together in the same report.*
