All public records as defined in the Act are presumed to be open to inspection and copying and unless a requested record is believed to be exempt from disclosure under Section 7 of the Act, it shall be so made available in a prompt and efficient manner.

D. Requests for Commercial Purposes.

However, in the event that the fee for copying the requested records exceeds Ten Dollars, the records will not be copied unless the fee is paid in advance and the requesting party shall be advised of this requirement.
2. That the five-day limitation has been extended to not more than five (5) additional working days pursuant to Section VII below.

This notice shall include: (1) a copy of the request for the records; (2) the proposed response from the District; and (3) a detailed summary of the District's basis for asserting the exemption.

VI. Right to Review by PAC and to Judicial Review

Any denial of a request for public records shall include a statement that the person requesting the records has the right to a review of the denial by the Public Access Counselor and shall provide the address and phone number of the Public Access Counselor. The requester shall also be informed of the right to seek judicial review pursuant to Section 11 of the Act.

VII. Exempt Records

VIII. Extension of Time to Comply

The time limit of five (5) working days to comply with a request for records may be extended in each case for not more than five (5) additional working days for certain reasons noted in the Act.
